**For fans of...** Dry The River, Frightened Rabbit, Ben Howard

**Adam Cleaver** returns with his haunting and powerful new single ***Narrow Spines*** released **April 22nd 2016** via **Veta Records**.

“Narrow Spines is about weakness,” explains Adam. “When someone is so trapped in their own grief they aren’t able to comprehend the people around them”. The song has a much broader intensity to the sound than on his previous single ***Man or Beast*** - *Narrow Spines* embraces a much larger sound. However, the themes remain close to Adam’s heart as he uses his music to express raw, personal emotions.

Adam’s incredible voice paired with post-rock influenced guitars and echoing drums is a beautiful and captivating combination. His sound is not dissimilar to acts like **Frightened Rabbit** and **Dry The River** but also draws comparisons to **Ben Howard** and **Death Cab For Cutie**. This single shows another side to Adam, an intriguing side that feels like a progression from his previous singles.

Adam’s previous supporters include **BBC 6Music’s Lauren Laverne**, **Clash**, **Artrock** and **Radio X’s John Kennedy**. Working again with producer **Matt Harris (HAWK)**, *Narrow Spines* demonstrates another side to Adam’s songwriting in advance of a new EP due later this year.

***Narrow Spines*** is out **April 22nd 2016** via **Veta Records**.
