

SINGLE PRESS RELEASE

Addeboy vs Cliff  
*Phoenix*

**For fans of...** Sam Feldt, Lost Frequencies, Jax Jones, Kygo

Electro pop producers **Andreas Broberger** and **Hannes Lindgren** aka **Addeboy vs Cliff** are back with their single ***Phoenix*** released **30th September 2016** via **Harbour Lights**.

The duo are no strangers to pop having co-wrote and produced ***Maybe you and Julian*** with **Say Lou Lou** and have also worked with **Naomi Pilgrim** and **Adam Tensta** amongst others. The duo have also previously played at the opening ceremony of **Umeå**, which was the culture capital city of Europe 2014.

Influenced by everything from **Refused** to **Daft Punk**, *Phoenix* is the epitome of chilled, electro pop using a laid back tempo juxtaposed with an upbeat chorus, which feels positively addictive.

Amongst Addeboy vs Cliff's supporters are **The Guardian**, **Clash** and **Pop Justice** who have all featured the pair's previous work.

**Addeboy vs Cliff's** single ***Phoenix*** is out on **30th September 2016** via **Harbour Lights**.
