*"...a finely honed, carefully contoured piece of acoustic pop..."* - **Clash**

Dream-folk quartet **Circumnavigate** prepare for another beautifully compelling release with their new single, **Another 20 Seconds**, out **1st December 2017**.

The single was inspired by lead singer **Sigrid Zeiner-Gundersen**'s reading of the romantic novel 'Me Before You' by **Jojo Moyes**. Sigrid explains "The theme throughout is that longing to have more time with the one you love. We actually wrote the song with the intention of pitching it to the movie adaptation, but we never finished it in time. Turns out we really enjoyed the creation and it has become the lead single from our debut album." *Another 20 Seconds* is a stunning piece of alt-folk, filled with cinematic soundscapes akin to the likes of **The Cinematic Orchestra** and Sigrid's delicate, warm vocal complimenting the musicality perfectly.

Sigrid (vocals/production) met **Carl Frederik Kontny** (piano/guitar/vocals) at school in Sandvika, Norway, where they would perform covers in school talent competitions. Sigrid later moved to London to study music and met **Ross Craib** (percussion/vocals) and **Charlie Fowler** (bass/vocals) through mutual friends. Between them, Circumnavigate have collectively played for some of London's most respected artists including **Foxes**, **Adam Lambert**, **Sigala**, **Romans**, **Gabrielle Aplin**, **Maverick Sabre** and **Crystal Fighters** to name but a few. They have also been supported by the likes of **Music Week**, **Clash**, **Folk Radio UK** and **BBC Introducing Devon**, as well as being involved in numerous Hollywood productions for the purposes of music to film.

**Another 20 Seconds** is out **1st December 2017**.
