Acclaimed Scottish three-piece **Be Charlotte** continue to develop their innovative, unique sound on their latest single **One Drop**, due for release on **20th January 2017** via **AWAL / Kobalt Label Service**.

Be Charlotte are fronted by teenager **Charlotte Brimmer** who is already regarded as one of the most prestigious and cutting edge songwriters on the Scottish music scene, illustrating a rare ability to transcend genres with ease; incorporating pop, hip-hop, beatboxing, electro and indie pop, crafting unmistakable soundscapes that are as playful as they are poignant. Tackling social issues her listeners can easily identify with, Be Charlotte creates vibrant, captivating music while skilfully integrating intelligent, affecting songwriting. This is evident on *One Drop*, co-produced by Charlotte and **Marcus Mackay (DrivingBell lounge)** which was inspired by the sense of being unable to clearly see what's in front of you, capturing the idea that, once something is done, it can't be changed. Ultimately, the way we deal with the situation, finding solutions along the way, is more important than the problem itself.

Her unorthodox approach has picked up a well of support; Be Charlotte have already charted in the viral *Top 50* on **Spotify**, been playlisted on **Radio X's** evening playlist and accrued support at **BBC Radio 1**.

Comprised of Charlotte (programming, guitar, keys, vocals), **James Smith** (keyboard, bass) and **David Calder** (drums), the trio recently returned from a tour of South East Asia playing in Taiwan, Singapore, Vietnam and Hong Kong, as well as spending two weeks recording at Karma Studios where **The Libertines** and **Placebo** recently recorded their albums. Bookending a successful year, Be Charlotte have been confirmed to play **SXSW 2017** in Austin, Texas, been named one of **The Great Escape's First Fifty** and have been chosen as one of only two acts representing the **BBC** at **Eurosonic Festival**. Be Charlotte is due to appear on the **BBC Introducing Stage** at Eurosonic on Friday **January 13th 2017** and, as if this wasn't enough, she was invited to play at the world famous Hogmanay celebrations in Edinburgh at the end of 2016 alongside **Paolo Nutini**, **The Charlatans** and **Frightened Rabbit**.

**One Drop** by **Be Charlotte** is due for release on **20th January 2017** via **AWAL / Kobalt Label Service**.
