

SINGLE PRESS RELEASE

Ben Cooling
Breathe Again

Release date: 8th September 2014

Label: Circus City Music Group

For fans of... Frank Turner, Charlie Simpson, Newton Faulkner

Ben Cooling releases single ***Breathe Again*** via **Circus City Music Group** on **8th September 2014**. The single is taken from Ben's EP ***To Hell With Consequences***, released earlier this year.

Breathe Again is an opportunity for Ben to showcase his talent as an acoustic guitarist, and his distinctive voice that has elements of **Nick Cave** mellowed out over a **Frank Turner** fire. The lyrics contain a message of empowerment, urging the listener to not be constrained by regrets, and to acknowledge that things that seem important in the present might hold you back from doing something truly remarkable in the future. Powerful stuff during these uncertain times.

Ben has been performing as a solo artist since early 2012 and has spent the best part of the last 10 years playing and writing music with honesty and conviction with his to the point style and lyrics that anyone can relate to.

Breathe Again is released **8th September** via **Circus City Music Group**.
