"Bright and tight, they make an excellent noise..."

- BBC Introducing

BRIDGES are delighted to announce the forthcoming release of AA side *BFF / Ballgowns* on 7" vinyl to celebrate their UK summer tour.

BFF is an uplifting anthem that creates a brooding euphoric wall of alternative indie showcasing **Ethan Proctor's** stunning voice, while *Ballgowns* is a laid back surf ballad with meandering guitar and full harmonies. Described as a cross between **Kings Of Leon** and **The Teardrop Explodes**, Bridges are a band that understand the importance of good hooks, and have spent the last two years honing their guitar driven sound into an irresistible force with one purpose - to make people move.

The band are **Ethan Proctor** (vocals and guitar), **Josh Redman-Thomas** (guitar), **Henry Matthews** (bass) and **Joe Lane** (drums). They have supported the likes of **Little Matador**, **George Ezra**, **To Kill A King** and **Kids In Glass Houses**. They've also graced the stage at a number of festivals in 2014, including **Glastonbury**, **Dot To Dot**, **Liverpool Sound City** and **Arctangent**. Their refined yet expansive sound utilising soaring vocals and crashing guitars is sure to win over fans of indie and alternative music as well as the more discerning hard rock fan.

BRIDGES will be spending this summer touring the UK. Check out their full list of live shows on their official website: www.bridgesofficial.com

BFF / Ballgowns is released on vinyl **21st May 2015** via **Bear Pit Records**.
