*"...an absolute surefire winner..."* - **Crack In The Road**

Multi-instrumentalist **Cadence Kid**, aka **Jason Turbin**, makes a welcome return, just in time for Halloween, with the release of his latest single, aptly named ***The Darkness***, out on **October 28th 2016** via **My Music Mind**.

Jason has teamed up once again with his **Grammy** award winning brother, producer **Cassidy Turbin** (**Beck, Bat for Lashes, Thurston Moore**), with the track also featuring guest vocalist **Amber Quintero** (**Stone Throw Records**). *The Darkness* is a macabre, melodic synth-infused track, influenced by elements of classic hip hop with a twist of modern electro-pop thrown in for good measure; conjuring similarities to artists such as **Metronomy** and **M83**.

*The Darkness* is the follow up to Cadence Kid's critically acclaimed single *Hold On Me*, which was featured on **Billboard's Top 50 Viral Playlist** as well as **Spotify's Fresh Finds** playlist. Since his childhood, Jason has performed lead roles in musicals such as **Les Miserables** as well as orchestrating for renowned prog-metal band **Dream Theater** and, most recently, the upcoming movie **Ouija 2**. Cadence Kid has also already received praise from various online publications including **IDOL Magazine, With Guitars** and **Crack In The Road** to name but a few.

Cadence Kid is a whirlwind of musical talent with a keen ear for an undeniably catchy beat, as well as an ability to turn his hand to various genres and art forms within the industry. *The Darkness* further emphasises this fact, showcasing his burgeoning talents in the process, and will serve as a perfect end to 2016.

***The Darkness*** by **Cadence Kid** is released on **28th October 2016** via **My Music Mind**.
