

SINGLE PRESS RELEASE

Chris Meid

Red River feat. Tyler Sjöström & Martin Wagler

Release Date: Out now!

Label: Warner Music

For Fans of... Avicii, Mumford & Sons, The Lumineers

Chris Meid, originally from Luxembourg, is an artist with a truly diverse musical background. Having come from a more classical background Chris has made a name for himself remixing a wide-array of different artists (including **Jose Gonzalez**, **The Weeknd** and **Ellie Goulding**) to much critical acclaim. Whilst making a name for himself collaborating and remixing, writing and performing his own material has always been the dream and finally, having been recently signed to **Warner Music**, this has become a reality with the release of his debut single **Red River**.

Recruiting the talented Swedish/American Tyler **Sjöström** on vocals and 16-year old Dutch DJ/Producer sensation **Martin Wagler**, *Red River* has a distinctly international flavour. Tyler's vocals with their distinctly country-music sound give a sense of the distance and openness of the Mid-West while Chris's writing and Martin's influence grounds the track in a style akin to great European Pop artists like **Swedish House Mafia** and **Avicii**.

Receiving praise from the likes of **Earmilk**, **Music Ninja** and **BBC Radio 1**, this is just the beginning as we will definitely be seeing a lot more of him towards the end of this year and into 2016.

Chris Meid's debut single **Red River** is out now via **Warner Music**.
