A multi instrumentalist, a sound engineer and a powerful voice all wrapped up in one, **Damien McFly** effortlessly blends the acoustic elements of folk with a rock inspired flair for songwriting. ***Parallel Mirrors*** is Damien's debut album, and the follow up to his enchanting single *I Can't Reply*.

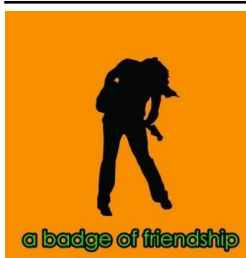

A powerful collection of heartfelt songs, Damien's debut channels the best of **Mumford & Sons** and **The Lumineers** sound, both bands having been a huge influence on him as he developed as a songwriter. Each instrument on the release has been recorded unplugged, utilising the natural ambience and reverb of specific recording locations to pick up the warmth of live performance on microphone, elevating songs such as 'Losing Myself', 'Reflection' and the aforementioned single *I Can't Reply* to dizzying heights as the fullness of Damien's guitar envelops his smooth vocal delivery. 'Don't Steal My Wish' is an intricate festival of beats and accordion, creating a traveller-folk atmosphere that will have listeners up on their feet, trying to catch the beat.

Damien McFly is the stage name for **Damiano Ferrari**, a driven, passionate and charismatic singer from Padova, Italy. Dedicated to live performance, he has played over 200 gigs throughout Europe in less than two years and in the summer of 2014 he crossed the Atlantic to play gigs in Chicago, Indianapolis and Nashville. He recently toured France, Belgium, Holland and Germany as well as gracing the **Hard Rock Rocks Acoustic Stage** in Edinburgh.

With a series of cover albums under his belt, *Parallel Mirrors* marks Damien's first opportunity to present listeners with a collection of songs and a sound that he can truly call his own.

Parallel Mirrors is released via **Ferrari Records** on **28th August 2015**.
