“...a powerful mix which draws listeners in.” - **For Folk's Sake**

Newcomer **Yvonne McDonnell** is quickly becoming another name to add to the burgeoning list of incredibly talented female singer songwriters who are making waves in the music industry. In celebration of the success of her latest EP *Not Her Own*, Yvonne is re-releasing her debut EP ***Endless Soul***, out on **July 29th 2016** via **Reality Is Over**.

The entire EP has one core narrative; each song exploring the various sets of emotions associated with being hurt by someone with deep set insecurities and how we learn to understand and accept others point of view. Opening track *I Didn't Know* begins with the initial empathy of what the perpetrator is going through, with Yvonne's striking vocals taking centre stage, exquisitely supported by her talented backing band. Title track, the aforementioned *Endless Soul*, tackles themes of anger as the emotion kicks in with a sense of melancholy, while still harbouring a glimmer of hope - a feeling that resonates throughout the track. As the EP continues the listener is taken on a journey, with each song skilfully written and performed with the same story-telling charm that has worked so well for the likes of **Laura Marling, Lisa Hannigan** and **Kate Rusby**. McDonnell's hypnotic vocal remains the focal point throughout the EP, with her unique vibrato swelling effortlessly.

Originally from East London, Yvonne started performing acoustically in 2012 at university in Portsmouth. Yvonne has already received praise from the likes of **Folk Radio, For Folk's Sake, Gigslutz** and **Pure M Magazine** amongst others. She has also performed live sessions for **Sofar Sounds** in London and Cambridge. Yvonne is ready to take another step up the folk ladder as she introduces the listener to a fresh, darker exploration of British modern folk.

Yvonne McDonnell's EP *Endless Soul* is out on **Friday 29th July 2016** via **Reality Is Over**.
