

SINGLE PRESS RELEASE

Hoshino
Stars (In The Night Sky)

Band: Hoshino

Single: Stars (in The Night Sky)

Release Date: 2nd February 2018

For Fans of... Erykah Badu, Bonobo, Kelela, Thundercat

Formed back in 2015, Essex electro-pop outfit **Hoshino** have been refining their sound over the last couple of years, and now return with a brand new single. ***Stars (In The Night Sky)*** is out **2nd February 2018**.

Fusing together an eclectic range of sounds, *Stars (In The Night Sky)* offers a glitchy, electro soundscape filled with the rich, sumptuous vocals of **Elloise Rosemond** and chilled, RnB-inspired beats. As twinkling melodies are interspersed with grittier moments of rap, it's a soulful, groove-laden sonic delight, with a smooth sound akin to **Erykah Badu**.

Impossible to pigeon-hole into just one genre, Hoshino have previously received acclaim from the likes of **BBC Introducing** and **BBC Radio 1**, and have wowed crowds at festivals such as **Secret Garden Party** and supporting **Fickle Friends** on tour. They now hope to take their music to new heights with the dreamy sounds of *Stars (In The Night Sky)*.

Stars (In The Night Sky) is out **2nd February 2018**.
