Idlewild made a welcome return this year with their album *Everything Ever Written* reaching number 20 in the UK Charts. The album was championed in the press by the likes of **The Independent**, **The Times**, **Guardian**, **Drowned in Sound**, **Q**, **Kerrang!**, **The Skinny** and many others.

To bookend this successful year, the band are releasing single *Utopia* on **27th November**. Having just completed their Japanese and US tour, the band will return to the UK in November and December for their last tour of the year before appearing at a special Hogmanay concert in Princes Street Gardens in Edinburgh with **Biffy Clyro**, the city where Idlewild formed 20 years ago.
