Single: French Girls

Distributor: AWAL

For Fans of... Digitalism, Justice, Basement Jaxx, Giorgio Moroder

"...part-way between the OST for a Blade Runner spinoff and a Street Fighter boss battle." -
The Line of Best Fit

"...music with multi-layered colour." - **Clash Magazine**

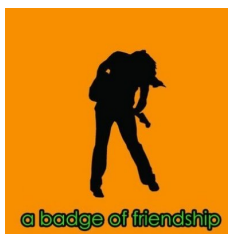

"...immersive dance music..." - **The Skinny**

On the back of his successful self-titled debut EP release in 2016, **KVASIR** returns with a brand new single, ***French Girls***, out on **29th September 2017** via **AWAL**.

Having been named one of the top 25 Scottish acts to watch in 2017 by **BBC Radio's Vic Galloway**, KVASIR further enhances his burgeoning reputation on the Scottish music scene through another stunning dance track. *French Girls* is another atmospheric French House track that straddles the line between retro dance music made famous by the likes of **Giorgio Moroder** and the contemporary sounds of **Digitalism** and **Justice**. Eminently danceable due to its funk-driven baseline and guitar segments, *French Girls* pulls you in through its memorable chorus and hook; a sound **The Line of Best Fit** describes as "...euphoric techno-pop...".

Despite the clandestine nature of the project, and not knowing who is behind the mask, KVASIR's debut EP gained a well of impressive support from the likes of the aforementioned **The Line of Best Fit**, **Clash Magazine**, **The Skinny**, **BBC Radio Scotland** and **Amazing Radio**. With the sun setting on another summer, KVASIR is aiming to extend the heady summer nights through his exhilarating dance music as he gears up to release three singles over the course of the next three months.

French Girls by **KVASIR** is out on **29th September 2017** via **AWAL**.
