**La Boum Fatale** is the musical alter ego of German musician and producer **Antonio de Spirt**. His latest album **Holygram** will be released via Berlin based label **Sinnbus** on **8th April 2016**.

It's been almost four years since La Boum Fatale's debut EP **Damwild** was released and instead of taking the 'usual' release route, de Spirt decided to carve his own path. He released secret hit **AAA** and moved from Hamburg to Berlin where he began to experiment more with his sound, his live set-up and collaborated with producers like **Glenn Astro** and **Sieren** as well as remixing tracks for **Me And My Drummer**, **Hundreds** and **Sizarr**.

However, in 2015, Antonio began to focus on writing tracks for an album and the end result is the exquisite electro infused masterpiece *Holygram*.

The album twists and turns from post apocalyptic chillwave to electro infused rhythms and beats that teeter on the darker edges of pop as heard on tracks like 'Ghosts'. La Boum Fatale is caught somewhere in-between the epic electronic soundscapes of **Autechre**, **Boards of Canada** and haunting alt pop of **Autre Ne Veut** - an enticing and mesmerising combination. 'No Tongue In Cheek' and 'He Just Might' are perfect examples of Antonio's ability to blend genres, whilst maintaining his unique sound.

La Boum Fatale's *Holygram* is a fresh and captivating debut; from the moment the album begins, you're invited into de Spirt's world and as each track rolls and flows into the next it feels as though you're falling deeper into a wonderful dream.

**La Boum Fatale's Holygram** is out on **8th April 2016** via **Sinnbus**.
