

SINGLE PRESS RELEASE

**Love Talk**  
***Her Name Is Jenny***

**For fans of...** Silverchair, Drenge, Weezer

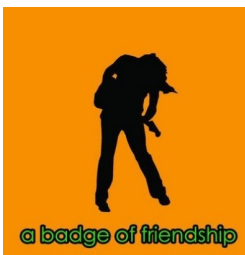

Danish alt-rock four-piece **Love Talk** release their powerful, grunge-tinged new single ***Her Name Is Jenny*** on **19th May 2017** via **Rasta WTF Studios Productions**.

*Her Name Is Jenny*, inspired by a girl they met at Roskilde Festival in 2014, focusses on the blurred lines between obsession and admiration for someone. The track is driven by heavy licks and pulsating beats sounding akin to **Silverchair** and **L7**'s 90s-infused rock, revamped with the Love Talk touch.

Love Talk consists of **Casper Iskov** (vocals/guitars), **Mathias Risager** (vocals/drums), **Jens Hyldahl** (bass/vocals) and **Andreas Frandsen** (guitars/vocals). They aim to change people's perception of new music, offering 90s inspired scuzz-filled riffs both audibly and visually. The band have previously played at **Extravaganza Festival** in Denmark and with *Her Name Is Jenny*, the band hope to introduce the UK to their unique blend of cathartic grunge rock.

**Love Talk's *Her Name Is Jenny*** is due for release on **19th May 2017** via **Rasta WTF Studios Productions**.
