Marina Celeste

Sun 20th Nov - The Bowery

"She has a heavenly name and the voice of an angel"
- Le Parisien

Marina Celeste, the voice of **Nouvelle Vague**, is heading back to the UK for a one off London show at The Bowery. The release of her last album, *The Angel Pop*, and her subsequent UK tour, has ensured that British audiences are no strangers to Marina's seductive singing voice, or her remarkable live performances.

Originally discovered at 22 by **Marc Collin**, of **Nouvelle Vague** fame, she's no stranger to fronting a band on stage, having toured the world and selling over half a million records during the course of her career.

Featuring special guests **Jordan Reyne** and **Das Fluff**, this one-off UK performance, allows Marina the opportunity to share her live show with fans who missed her previous tour.
