Artist: Mausi

Single Title: Sol

Release date: October 10th 2011

Tracks:

1. Sol

Label: Racecar Music

Mausi, fronted by Italian born siblings **Daisy** and **Thomas Finetto**, formed after meeting **Ben Brown** and **Benji Huntrods** at university in Newcastle. After ambitiously performing an accappella cover of **Imogen Heap's** "Hide and Seek" at their first gig, the foursome were convinced of their undoubted talent and decided to go off and write some songs. **Mausi** were officially born.

The band wasted no time in releasing their debut single, **Follow Me Home**, via **Racecar Music**, a label they set up themselves, in March. The single exhibited the uplifting harmonies allied to an alternative pop sound that splices the best elements of bands such as **Phoenix** and **Mates of State**, a sound that has become their undoubted trademark.

New single, **Sol**, further enhances **Mausi's** reputation to produce fun, danceable pop tunes with an edge. Daisy and Thomas' harmonies melt your heart with a sense of warmth and positivity backed up by a beat that it is unashamedly dancey. Backing lyrics exclaiming "Dance, Dance, Dance" highlight the bands intentions and elevate **Sol** to loveable catchy levels.

Having promoted a sold-out single launch at **The Cluny** in March as well as supporting acts such as **Thomas Tantrum** and **Dutch Uncles**, **Mausi** look set to build upon this and bring their latest offering to a wider audience.

Sol, will bring a hint of summer back to brighten the onset of those Autumnal hues and will definitely have you longing for more **Mausi**-inspired indie-pop.
