“...like very little else around.” - **The Line of Best Fit**

Following the release of her debut single *After River*, Scottish singer-songwriter **Megan Airlie** makes a welcome return through her alluring follow up single ***Honey***, available to stream and download now via **Bloc Music Records**.

Showcasing her charming jazz/blues vocals, *Honey* accentuates Megan's breathtaking natural talent as well as her ability to transmit intense, personal vignettes through her music. Measured, laid back guitar segments are accented beautifully by the shimmering rich texture of Megan's chanteuse style vocal, neatly brought together by the gorgeous tone of twinkling piano.

Having already picked up support from the likes of **The Line of Best Fit, BBC Radio Scotland, Hoxton Radio, Podcart** and **Songwriting Magazine**, Megan will be looking to build upon this early success while enhancing her burgeoning reputation throughout the UK and beyond.

Honey is available to stream and download now via **Bloc Music Records**.
