*"Model Aeroplanes are unrelentingly optimistic and upbeat..." - The Independent*

Channelling euphoric, feel good indie pop, Dundee quartet **Model Aeroplanes** return to form with their new single, **Lover**.

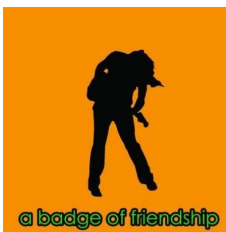

Following on from their successful debut EP *Something Like Heaven* released on **Island Records**, the 4-piece make a welcome return into the spotlight.

Friends for life and band mates since they were 13 – **Rory Fleming-Stewart**, (Vocals, Guitar), **Grant Irvine** (Lead Guitar, vocals), **Ben Buist** (Bass) and **Kieran Smith** (drums, vocals) have achieved notable success for a band so young and their new single indicates an impressive progression.

New single, *Lover* is a surefire summer anthem, with its outright hedonistic melodic hooks, sky-scraping falsettos and catchy chorus; this is a dazzling re-emergence that will place the band firmly amongst their more established peers.

Model Aeroplanes have received airplay from the likes of **BBC Radio 1's Annie Mac**, **Huw Stephens**, **Phil Taggart**, **Alice Levine**, **BBC Radio Scotland's Vic Galloway**, **XFM's John Kennedy** and **BBC Radio 6 Music's Tom Robinson**. They have enjoyed press from **Clash**, **The Line of Best Fit** and **The Herald**. They have also graced the stages of **Open Air Gampel** in Switzerland, **Bergen Fest** in Norway, **Way Back When** in Dortmund, **Where's The Music?** In Sweden, **Indiependence Festival** in Ireland, **T in the Park**, **The Great Escape**, **Liverpool Sound City**, **Kendal Calling**, **Dot To Dot**. Tour Supports have included **Twin Atlantic**, **Eliza and the Bear** and **Editors**.

**Lover** by **Model Aeroplanes** is out on **16th June 2017** via **Spinnup (Universal Music)**.
