# Moonlight Zoo

## *Melting*

**For fans of...** The Neighbourhood, The Royal Concept, Grouplove

**Moonlight Zoo** return with their forthcoming single *Melting* out on **4th November 2016** via **Spinnup**.

*Melting* is bursting with catchy melodies, upbeat rhythms and exuberant lyrics condensed into one joyous and uplifting pop single. This release follows on from the band's previous single *Breaking Or Broken*, which was recorded by veteran Scottish producer **Bruce Rintoul (Twin Atlantic, Fatherson)**. This time, however, the band decided to take a trip to the famous **Motor Museum Studios** in Liverpool to record with producer **Al Groves (Cast, Bring Me The Horizon)**.

Moonlight Zoo formed in late 2014 and have wasted no time in spreading their infectious indie pop to the masses. Since their inception, the band have cut their teeth busking around the streets of Europe, followed by headline shows throughout Scotland. They made their live television debut on **The Riverside Show** on **STV** and were subsequently booked to headline Glasgow's **King Tuts Wah Wah Hut**.

Amongst Moonlight Zoo's supporters are **Radio X**, who featured their previous single *Breaking Or Broken* as their 'Track of the Week' and Jim Gellatly who featured the band in **The Scottish Sun**, which then led to their debut appearance at the **Isle Of Wight Festival**.

**Moonlight Zoo's** single *Melting* is out on **4th November 2016** via **Spinnup**.
