"... in this neo-feminist age of unapologetic dominance, Amy Love and Georgia South ask all the questions and have all the answers"

- Afropunk

South East London duo, **Amy Love** and **Georgia South** - aka **Nova Twins** - return with their ferocious new single **Lose Your Head**, out on **29th June 2018**.

Propelled by frenzied hooks, snarling vocals and a tenacious energy, *Lose Your Head* is a fiercely attention-grabbing creation from the duo. Oozing an angst-driven force, it's a raucous wall of sound that'll hit you with its raw power on first listen. Of the track, the band expand: "It's for all the judgemental people in the world who like to make some of us feel alienated or like an outsider just because we are different to them! It's a fiery song that is meant to melt the faces off small minded people. We want to open these people's minds and invite them to the wild side."

Having been blowing up speakers putting on dynamite shows across the globe over the last couple of years, Nova Twins are joined by dynamic drummer **Tim Nugent** for live shows, creating a true force to be reckoned with. They have previously supported the likes of **Prophets of Rage**, **Ho99o9**, **Willow Smith**, **Kate Nash**, **Die Antwoord** and **Black Honey**. The duo have also received acclaim from **The Guardian**, **NME**, **Afropunk**, **Kerrang!** and **Rage Against The Machine's Tom Morello**, to name a few. With new single *Lose Your Head*, they hope to continue stunning listeners with their bold, genre-defying sound.

Lose Your Head, the new single from **Nova Twins**, is out **29th June 2018**.
