Pip Blom  
*I Think I'm In Love*

**Band:** Pip Blom

**Single:** I Think I'm In Love

**Label:** Toaster Records

**Release Date:** 17th March 2017

**For Fans of...** Courtney Barnett, Parquet Courts, The Breeders

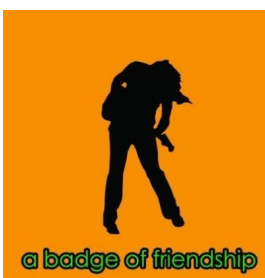

Following the release of last year's EP *Are We There Yet?*, 20 year old **Pip Blom** is going to be releasing her new single *I Think I'm In Love* on **17th March 2017** via **Toaster Records**.

Inspired by the complications of love and relationships, *I Think I'm In Love* is filled with Blom's trademark uptempo melodies and wonderfully catchy hooks. Oozing her distinctive raw vocals alongside lush harmonies, the track really showcases this young songwriter's skill, and will get you singing along in no time.

Based in Amsterdam, Pip Blom writes, records and releases her own indie-pop tunes with a twist. Although she only started releasing material last year, she has already received acclaim from the likes of **BBC Radio 1's Huw Stephens** and **BBC 6Music's Steve Lamacq** - as well as online support from **DIY** and **The Line Of Best Fit** - and has built a good following across Europe and the US.

Pip and her band - **Tender Blom** (guitar and backing vocals), **Berend Kok** (bass) and **Bowie Thörig** (drums) - love to play live and will be returning to the UK in April for small six show tour. Produced by **Raven Aartsen**, *I Think I'm In Love* will be the first in a string of releases from Pip Blom in 2017.

*I Think I'm In Love*, the forthcoming single from **Pip Blom**, is released **17th March 2017** via **Toaster Records**.
