

SINGLE PRESS RELEASE

Rag Foundation  
*Run*

**Band:** Rag Foundation

**Single:** Run

**Label:** Rhondda Street Studio Recordings

**Release Date:** 20th April 2015

**For Fans of...** The Decembrists, Noah & The Whale, Bombay Bicycle Club

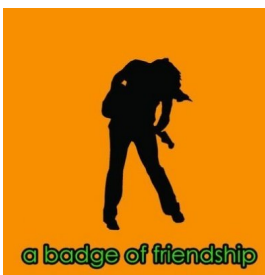

**Rag Foundation** are pleased to announce their latest single, *Run*, released **20th April 2015** via **Rhondda Street Studio Recordings**.

The single is taken from their upcoming fourth album, *The Sparrow and The Thief*, and is a wonderful showcase for their ability to create sumptuous vocal harmonies interlaced with intricate indie folk compositions which bear comparison to the likes of **Noah & The Whale** and **The Decembrists** with elements of **Fleetwood Mac**. Coming from a folk background, the band have always been fascinated by the dark stories behind certain songs - murder, betrayal, infidelity - essentially all the good things in life. While there are some definite themes interwoven throughout the track, Rag Foundation want people to discover them for themselves, as who knows what hidden corners and connections could be hiding inside?

Rag Foundation are **Neil Woolard** (vocals), **Richard Cowell** (guitar & vocals), **Daniel Kilbride** (bass & vocals), **Kate Ronconi** (fiddle, banjo, keys & vocals) and **Huw Rees** (percussion & vocals), five people brought together by their working class, traditional roots. Based in Swansea, the band are as comfortable performing traditional welsh songs written centuries ago as they are writing contemporary, alternative folk that explores the darker side of humanity.

With another single due for release in June, followed by their fourth album *The Sparrow and The Thief*, Rag Foundation will be spending 2015 touring the UK spreading their music as far as they can.

*Run* is released released **20th April 2015** via **Rhondda Street Studio Recordings**.
