

SINGLE PRESS RELEASE

Sami Simon
Carry You With Me

Band: Sami Simon

Single: Carry You With Me

Release Date: 15th June 2018

For Fans of... Fleet Foxes, The Tallest Man On Earth, Iron & Wine

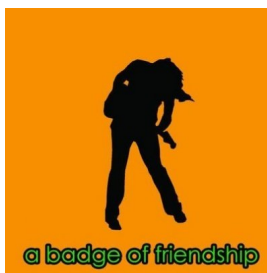

“...an exceptionally pure sound.” – **Hilly Dilly**

Berlin-based singer-songwriter **Sami Simon** returns with another heartfelt new single. ***Carry You With Me*** is out on **15th June 2018**.

The single is a delicately weaved blend of soulful songwriting, textured indie-folk and subtle electronics. Opening intimately Sami's warm vocals and his acoustic guitar, *Carry You With Me* then grows into a cinematic soundscape of stunning musicality. Fans of the likes of **Fleets Foxes** and **Iron & Wine** will instantly feel at home here. While drawing on the contemplative character from Simon's debut single, *Bombs*, *Carry You With Me* conveys a melancholic yet consoling message. Sami elaborates, "I started writing this on a trip through Scandinavia and wanted to capture the twisted feeling of hope and heartache when you decide to move on but also leave something substantial behind. Like a love that has withered over time and has become painfully cold, while you still have those beautiful memories."

Since the release of *Bombs* earlier this year, Sami has gained supporters such as **Hilly Dilly**, **COLORS** and **Ear To The Ground** to name but a few. With *Carry You With Me*, Sami hopes to further captivate listeners with his intricate blend of alt-folk.

Carry You With Me is out **15th June 2018**.
