*"...glittering acoustic melodies, swooning strings and acoustic bliss."*

**Siv Jakobsen** is pleased to announce her latest EP, *The Lingerin*, released **26th May 2015** via **The Nordic Mellow Records**.

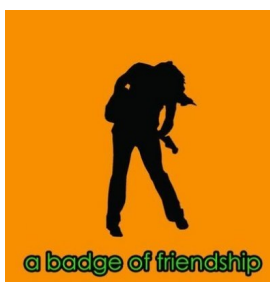

*Dark* and *How We Used To Love*, opening tracks which have also been released as singles, explore themes of mortality, loneliness, heartbreak and existential angst, which sets the tone perfectly for the rest of the EP. Even a reworking of **Britney Spears'** chart smash *Toxic* is imbued with such heartfelt emotion that the lyrics are given a new lease of life. From start to finish, whether it's the romantically tragic 'Fix You' or narrative driven 'Buried In Treasure', *The Lingerin* is a testament to Siv's ability to capture and convey emotion with her voice and an almost endless supply of heart piercing lyrics. She is a songwriter who, one day, could stand proudly beside inspirational artists such as **Joni Mitchell** and **Joan Baez**, as well as her contemporaries **Ane Brun** and **Laura Marling**.

Siv has been performing in Europe and the US since 2011, creating emotive music that embraces the themes of melancholy and sadness. She honed her talent while living in a tiny apartment in Brooklyn which she describes as "a door with a bed", firmly immersing herself into the world of the struggling artist and challenging herself to reach greater heights.

With support for previous singles from the likes of **The Line Of Best Fit** and **Folk Radio UK**, and a summer spent gracing the stages of **The Alternative Escape** as part of **The Great Escape Festival** as well as Slottsfjell in Norway where she'll be playing alongside artists such as **Tove Lo**, **SOAK** and **Angus & Julia Stone**, 2015 looks set to be Siv's biggest year yet.

*The Lingerin* is released on **26th May 2015** via **The Nordic Mellow Records**.
