For Fans of... Chastity, Infinity Girl, Nothing, Pity Sex

Midlands based four-piece, **Superego**, are preparing to unveil their high-octane brand of indie-rock to a wider audience through the release of single **Sleep** via **Big Indie Records**, available to stream and download now.

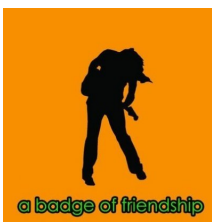

Blending jagged, angular guitar segments with lush, hazy vocals, Superego have taken inspiration from the angst-ridden era of 90's grunge and sumptuously merged it with the multi-layered textures associated with shoegaze.

Sleep sees Superego create a distorted, energy filled sound as blistering, feedback laden guitars envelope the listener and are accented beautifully by the wistful, dream-like vocals of **Cam Potts**.

Consisting of the aforementioned Cam Potts, **Tom Richards**, **Luke Joseph Harley** and **Samuel Beckingham**, Superego have been lauded for their live performances having honed their skills while touring with **Black Honey** as well as supporting acts such as **The Big Moon**, **Pale Waves** and **Dead!**. Now, on the back of recording new material with **Billy Ryder-Jones (The Coral)**, and a confirmed slot at **DIY's Big Indie Big Nights** at **Tileyard Studios** on **13th June**, Superego are set to become your new favourite band.

Grab your free tickets for Superego's appearance at **DIY's Big Indie Big Nights** at **Tileyard Studios** on **13th June** [here](#).

Sleep by **Superego** is available to stream and download now.
