

SINGLE PRESS RELEASE

The 286  
*Time Immemorial*

**Band:** The 286

**Single:** Time Immemorial

**Release Date:** 19th March 2018

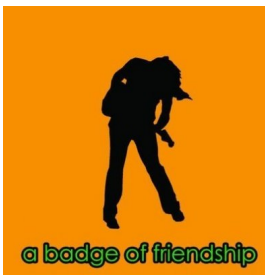

**For Fans of...** Donovan, The Avett Brothers, Crosby, Stills, Nash & Young, Of Monsters and Men

Originally formed in South East London, musical collective **The 286** are now ready to release their new single, ***Time Immemorial***, out on **19th March 2018**.

The first in a series of releases to come out over the next year, *Time Immemorial* is a slight departure from the band's usual uptempo sound. A stripped back acoustic ballad, it's filled with sweeping strings and soaring impassioned vocals as delicate finger-picked melodies flow with ease. With a gentle orchestral splendour, The 286 have created a musically rich and utterly charming love song that'll tug at the heartstrings in all the right ways.

Starting out when frontman **Spencer Hannabuss** posted an advert on the internet for classical musicians to join his band, The 286 have spent the last couple of years building a reputation across London and the South East for their engaging live performances. Now, having graced stages at **Beautiful Days** festival, Liverpool's infamous **Cavern Club**, and at **The Jazz Café** supporting '60s legends **The Zombies**, The 286 are ready to charm listeners far and wide with their heartfelt new single.

***Time Immemorial***, the new single from **The 286**, is out **19th March 2018**.
