The Curious Incident
Please Don't Say

Release Date: 13th April 2015

Label: Cat String Records

For Fans of... Crystal Fighters, Vampire Weekend, Sublime, Apache Beat

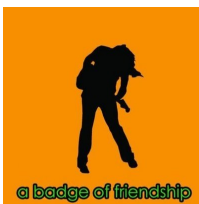

The Curious Incident released their EP *Penny Lonesome* this year and return with single *Please Don't Say* due for release on **March 30th 2015**.

The theme of their four track EP is money. The band explore the themes behind money and the highs of lows of having the green stuff.

The Curious Incident are a four piece that have truly come from all over the globe, making music that is fun, light-hearted and tongue-in-cheek. Cavey Roberts and Diego Diaz, met at school in The Netherlands before Cavey moved back to South Africa. Years later, with Diaz attracted to the sun and sea (and World Cup) in South Africa, the two paired up to start a life as penniless musicians. Dan Bowery and Mirko Piconese were eventually added to the mix and The Curious Incident was born. To celebrate the single's release Lewis will be playing several acoustic shows. There will also be two free entry full band shows on the 13th of April at **Oporto Bar**, Leeds and 14th of April at **The Finsbury** in Finsbury Park. Other tour dates to be announced.

Their sound wavers from cheeky indie to pop infused indie rock with a Caribbean twist but the one consistent theme is that this four piece aim to turn your frown upside down!

The Curious Incident will release single *Please Don't Say* on **March 30th 2015**.
