### - For Folk's Sake

**The Frisbys** release their forthcoming EP *The Cause* on **January 29th 2016** via **Dantobaccus Records**.

Twins **Helen** (vocals, flute) and **Nicola Frisby** (vocals, acoustic guitar) have been singing and playing music together since they were old enough to speak. Having performed as a duo for many years honing their incredible vocal harmonies, it took a boredom call from a broken-legged **Marc Robinson** (piano, guitar) to convince them to start a full band. The three were joined by **Sam Keer** (acoustic/electric/slide guitar), and later, **Will Cattermole** (bass) and **Tom Finigan** (drums). They have been producing haunting and emotive music ever since.

The Frisbys have already released a double A-side single - *Born and Raised/Give in to the Dark* - from the EP, which gives a glimpse of what is to come from this band on the rise. They describe *Born and Raised* as “light hearted and upbeat...almost a countrified version of *No Scrubs* by TLC” and *Give in to the Dark* as a hopeful song about supporting a loved one through dark times. The other tracks on the EP carry a similar theme and are filled with utterly stunning harmonies and musicianship throughout. If you're looking for something to warm you up this Winter then this EP will definitely do the trick.

Having received past support from **Ruth Barnes**, **Gary Crowley** and **Kathryn Tickell** on **Amazing Radio**, **Mark Forrest** on **BBC Radio**, **Team Rock Radio**, **Gigwise**, **Folk Radio** and **For Folk's Sake**, the band already boast an impressive collection of fans. This is already being built upon, with *Born and Raised* having recently been featured as Track of The Day on **Sarah Gorrell's Drive Time Show** on **BBC Sussex**.

*The Cause* is out on **29th January 2016** via **Dantobaccus Records**.
