"...a delicious delicacy that you'll want to taste even more of." - **DIY**

"...music that deserves to be played at ear-threatening decibels to as many people as possible" -
Noisey

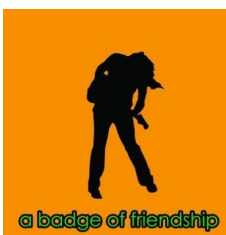

"...a surf rock band, but only if your idea of surfing involves getting pummelled by a giant wave..." -
Consequence of Sound

Bitter Sweet is the latest single from Glasgow four-piece **The Van T's**, out on **September 22nd 2017** via **Lab Records**.

On the back of a support slot with **Wolf Alice** in Dundee and **The Jesus & Mary Chain** in Glasgow, The Van T's continue their assault on the music industry with another killer track. Drawing you in through their now trademark surf-rock, feedback-laden guitar segments, accented beautifully by glorious harmonies and killer choruses, The Van T's continue to illustrate why they are considered to be the most exciting young band in Scotland.

Comprised of twin sisters **Hannah** and **Chloe Van Thompson** (guitar, vocals), **Joanne Forbes** (bass) and **Shaun Hood** (drums), 2016 was a breakout year for the band. Premiere's on the likes of **Huw Stephens' BBC Radio Introducing** show, **Noisey**, **Consequence of Sound**, **Clash Magazine**, **The Line of Best Fit** and **Dork** were followed by support slots with **Yuck**, **Rat Boy** and **Honeyblood**. The band also appeared at festivals **T in The Park**, where they headlined the **BBC Introducing Stage**, **Electric Fields**, **Wide Days** and **Stag and Dagger**. 2017 has seen the band continue to make their mark having supported **The Jesus & Mary Chain** in Amsterdam at the renowned venue **Paradiso**, played a support slot with **Clean Cut Kid** at London's **Scala** following this up with two packed shows at this years **Great Escape**.

Bitter Sweet by **The Van T's** is out on 22nd September 2017 via **Lab Records**.
