

SINGLE PRESS RELEASE

Thee MVPS
American Dreamin

Band: Thee MVPS

Single: American Dreamin

Release Date: 4th July 2018

For Fans of... Thee Oh Sees, Meatbodies, The Mooney Suzuki, King Gizzard & The Lizard Wizard

"They're rock'n'roll craftsmen, not Segall clones..." - **Pitchfork**

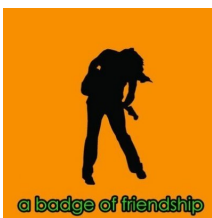

"...strut and swagger like Dr Feelgood" - **NME**

With a reputation as the best live band in London, and a gig list longer than *The Old Testament*, **Thee MVPS** are preparing to uncage their indefatigable garage-rock sound through the release of single **American Dreamin**, available to stream and download now via **Big Indie Records**.

Fusing the raw 60's Detroit rock sound made famous by the likes of **MC5** with the sweaty, three chord punk-inspired deftness associated with **The Mooney Suzuki**, *American Dreamin* sees Thee MVPS snarl and prowl with a skittishness usually reserved for rockstars from a bygone era. Indeed, *American Dreamin*'s raucous, in-your-face style should be a marker for every rock band across the country, as Thee MVPS proudly drag good old fashioned rock and/or roll kicking and screaming into the 21st Century.

Thee MVPS have just returned from a tour across the UK on a sold out run of shows with LA's **Flat Worms** (**Castle Face Records**), adding to an already impressive supporting cast previously including **Cosmonauts**, **Night Beats**, together **Pangea**, **Twin Peaks**, **The Parrots**, **Frank Carter & the Rattlesnakes**, **Ty Segall**, **Meatbodies**, **METZ**, **Dead Meadow**, and many, many more. Now, with *American Dreamin* dropping on Independence Day, a launch show at **DIY's Big Indie Big Nights** on 11th July, and a run of shows in Brighton, Margate and Birmingham confirmed, Thee MVPS are ready to rock your world.

American Dreamin is available to stream and download now via **Big Indie Records**.
