

SINGLE PRESS RELEASE

Twinnie  
*Home*

**Artist:** Twinnie

**Single:** Home

**Release date:** 1st July 2016

**Label:** TLM Records

**For fans of...** The Lumineers, Mumford & Sons, Taylor Swift

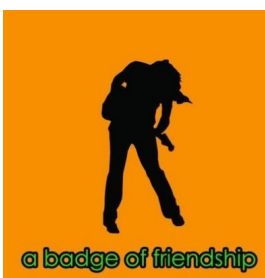

**Twinnie** is back with her latest single ***Home***, out on **1st July 2016** via **TLM Records**.

*Home* is a heart wrenching and defiant track about losing love with a swelling chorus and soaring vocal hooks that beautifully narrate the journey of a break-up. The feeling on the single is reminiscent of artists such as **The Lumineers** and **Mumford & Sons**, whilst also transcending into a more traditional pop feel akin to the likes of **Ella Henderson**. Twinnie is bringing a new edge and is a fresh new face to the country pop music scene - a welcome change from the dated look and feel of the genre.

After securing a publishing deal with **Universal**, Twinnie has branched out into all areas of the entertainment industry. She has performed backing vocals for the likes of **Pharrell Williams** and **Robin Thicke** (*Blurred Lines* and **BBC Radio 1's Live Lounge**), **Brian May** and **Roger Taylor** to name but a few. Although her roots are in England, Twinnie also travels extensively to LA and Nashville, working alongside the critically acclaimed songwriters behind artists such as **Pink**, **James Bay**, **The Shires** and **Jason Mraz**.

Twinnie's first single *Cool* reached number 2 in the iTunes county charts and she has already received support from the likes of **Heat Magazine**, **Digital Spy** and **Songwriting Magazine**. Twinnie is now focusing her talents solely on music, particularly her own solo material, to great effect.

***Home*** is out on **1st July 2016** via **TLM Records**.
