“...a fresh and exciting new sound...”

- Closer

After the incredible success of her previous two singles *Cool* and *Home*, Twinnie is set to release her self-titled debut EP, out on **29th July 2016** via **TLM Records**.

The EP explores different themes of love and loss under the guise of her signature country pop style. Opening track and previous single *Cool* evokes memories of times gone by, whilst latest single *Home* is about the difficulties of losing love. The next track *Lie To Me* is a stunning ballad, which portrays Twinnie's vulnerability with her extremely emotive vocal performance before the EP finishes with *Looking Out For You* - a heartwarming song about Twinnie's relationship with her grandad.

Fans of **The Lumineers** and **Mumford & Sons** will feel at home with the EP, as Twinnie amalgamates these influences with the more contemporary pop sound of artists like **Ella Henderson**; Twinnie is bringing a new edge and is a fresh new face to the country pop scene.

After securing a publishing deal with **Universal**, Twinnie has branched out into all areas of the entertainment industry. She has performed backing vocals for the likes of **Pharrell Williams** and **Robin Thicke** (*Blurred Lines* and **BBC Radio 1's Live Lounge**), **Brian May** and **Roger Taylor** to name but a few. Although her roots are in England, Twinnie also travels extensively to LA and Nashville, working alongside the critically acclaimed songwriters behind artists such as **Pink**, **James Bay**, **The Shires** and **Jason Mraz**.

Despite being relatively new to the country scene, Twinnie's first single *Cool* reached number 2 in the iTunes country charts and second single *Home* peaked at number 3. Twinnie has also already received support from the likes of **Heat Magazine**, **Digital Spy**, **Think Country** and **Songwriting Magazine** and is now focusing her talents solely on music.

Twinnie is out on **Friday 29th July 2016** via **TLM Records**.
