

SINGLE PRESS RELEASE

Van Common
Moonlight Blue

Band: Van Common

Single: Moonlight Blue

Release Date: 8th June 2018

For Fans of... Real Estate, DIIV, Wild Nothing, Beach Fossils

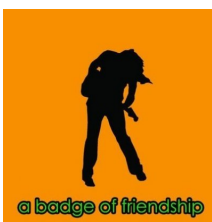

Following last year's single *This Afternoon*, songwriter and multi-instrumentalist **Sebastian van Ravenhorst** - aka **Van Common** - returns with his uplifting new single ***Moonlight Blue***, out on **8th June 2018**.

Written late one night from a beach house that van Ravenhorst had retreated to alone in order to gather his thoughts, *Moonlight Blue* is inspired by the intimate connection he feels to the moon; a connection that envelopes him when the rest of the world is sleeping. Flowing with twinkling melodies and swooning vocals, it oozes a sweeping, dreamy majesty.

With shades of the catchy jangle-pop made famous by the likes of **Real Estate**, it's a beautifully heartfelt creation. Of the songwriting process, van Ravenhorst expands: "*I kind of started singing to the moon as if she was a woman, being scared to grow too attached as she might leave me in the morning.*"

Only recently making the move from typical band set-up to that of solo artist, with the intention of taking full creative control, Van Common now writes, sings and plays everything himself. Now, having charmed crowds at **Paradiso Amsterdam**, **Sofar Sounds San Francisco** and **Rockwood Music Hall**, New York, Van Common is ready to captivate listeners worldwide with this ethereal new single.

Moonlight Blue is out **8th June 2018**.
