For Fans of... Bon Iver, The Japanese House, Aquilo

Ambient pop outfit **Dream Estate** return with the re-release of their single **You**, taken from their debut EP *The Love We Shared*, out on **1st December 2017**.

Lead singer **William Tse** explains “the theme behind the song is insecure love. Its about not being able to judge a situation which could end with a happy ending, or an endless spiral of heartbreak and dependancy.” The single is filled with soaring electronic beats, subtle guitar sounds and ethereal harmonies akin to the likes of **Bon Iver** and **The Japanese House**.

The band was originally founded by William in 2015, but later was joined by **Dan Hvorostovsky** (bass, backing vocals), **Dan Noble** (lead guitar, backings vocals), and **Joe Dawson** (drums) in 2017. Since then, the band have been working alongside producer **Sam Winfield** (**Fickle Friends**, **Pixel Fix**, **Amber Run**, **Motherhood**), have packed out a headline show at the **Lending Room** in Leeds, as well performing at **Live At Leeds' Ones To Watch**.

You is out on **1st December 2017**.
