For Fans of... Banks, Halsey, Låpsley

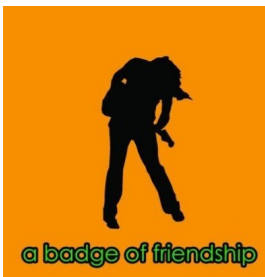

Having been songwriting for years, Nashville-based artist **Meghan Roner** - aka **LIEZA** - has finally found her sound and is set to release her sparkling new single ***Eyelinor*** on **22nd September 2017** via **LV Music**.

Oozing a lyrical honesty and raw emotion, *Eyelinor* comes straight from the heart. Of the track, LIEZA explains: "... Eyelinor is that anthem that you sing to yourself in the mirror when you've had a bad day and you've forgotten what makes you unique, what makes you strong... Put on your 'eyeliner', whatever armour that may be for you, and then go out and take on the world..."

Filled with shimmering melodies alongside glitchy beats and the sweeping power of Roner's rich vocals, *Eyelinor* is a wonderfully empowering track, with shades of the infectious electro-pop sound of **Banks**.

LIEZA's journey to where she is today started out when she became an intern for **Grammy Award**-winning writer and producer **Femke Weidema**. Having travelled from Texas to go to school in Nashville, with no friends or family nearby, in order to follow her dream, she now works alongside Weidema to create her beautifully introspective, yet thoroughly danceable, creations.

Eyelinor is out on **22nd September 2017** via **LV Music**.
