Forming back in 2015, Glasgow band **Lost In Stereo** are now set to release their debut EP ***Famous First Words***, out on **29th September 2017** via **Lost Records**.

Inspired by the belief that you should be yourself, *Famous First Words* is filled with five infectious slices of melodic pop rock. From the fast-paced energy of 'The Most Anticipated Summer Blockbuster (Of The Year)', to the raging riffs and emotion-strewn vocals of 'Tear Out The Pages', the EP oozes elements of pop punk favourites such as **Good Charlotte**, whilst the band still maintain their own distinct, fervent enthusiasm.

Having already supported **The Ataris** and headlined Glasgow's infamous **King Tuts**, Lost In Stereo look set to be filling stadiums in no time at all with this hugely catchy, energy-fuelled collection of anthemic rock.

Co-written by **Stefan Abingdon (The Midnight Beast)**, *Famous First Words* is out on **29th September 2017** via **Lost Records**.
